Thank you all for being part of the third Wild Rose Championship season. We know how busy life can be, so we are extremely thankful that you’ve chosen to spend some of your precious free time with us. Over the last three years we’ve helped countless kids improve through free rider’s clinics, our loaner bike program, race fee sponsorship, free/loaner gear, and donation-based entry. We’ve facilitated over two dozen kids’ entries into the motorsports we all love so much and none of it would have been possible without you.

Kindest Regards,

Jesse (and the entire Hidden Thorn/Wild Rose crew)
